The City Directory

Is the greatest source of knowledge concerning living things in the world. Everybody is represented and interested in it.

The Directory costs the subscriber 10c per week if he buys it. If he doesn't buy it, he doesn't save 10c a week; for he often loses a customer or an account and at the end of the year he has paid many times what it would have cost him to enjoy all the advantages of a new up-to-date directory.

The classified lists in the City Directory form the greatest buyers' guide on earth. It is a modern, up-to-date method of getting what you want.

The Directory represents the city and all its interests. Are you doing your share to promote the progress of the community?

Show your public spirit by making the Directory a creditable representation of this city.

"The DIRECTORY IS THE COMMON INTERMEDIARY BETWEEN BUYER AND SELLER."

An Up-to-Date City Directory

The City Directory

Is the greatest source of knowledge concerning living things in the world. Everybody is represented and interested in it.

The Directory costs the subscriber 10c per week if he buys it. If he doesn't buy it, he doesn't save 10c a week; for he often loses a customer or an account and at the end of the year he has paid many times what it would have cost him to enjoy all the advantages of a new up-to-date directory.

The classified lists in the City Directory form the greatest buyers' guide on earth. It is a modern, up-to-date method of getting what you want.

The Directory represents the city and all its interests.

Are you doing your share to promote the progress of the community?

Show your public spirit by making the Directory a creditable represent tion of this city.

"The DIRECTORY IS THE COMMON INTERMEDIARY BETWEEN BUYER AND SELLER."

The City Directory

Is the greatest source of knowledge concerning living things in the world. Everybody is represented and interested in it.

The Directory costs the subscriber 10c per week if he buys it. If he doesn't buy it, he doesn't save 10c a week; for he often loses a customer or an account and at the end of the year he has paid many times what it would have cost him to enjoy all the advantages of a new up-to-date directory.

The classified lists in the City Directory form the greatest buyers' guide on earth. It is a modern, up-to-date method of getting what you want.

The Directory represents the city and all its interests. Are you doing your share to promote the progress of the community?

Show your public spirit by making the Directory a creditable representation of this city.

"The DIRECTORY IS THE COMMON INTERMEDIARY BETWEEN BUYER AND SELLER."

The City Directory

Is the greatest source of knowledge concerning living things in the world. Everybody is represented and interested in it.

The Directory costs the subscriber 10c per week if he buys it. If he doesn't buy it, he doesn't save 10c a week; for he often loses a customer or an account and at the end of the year he has paid many times what it would have cost him to enjoy all the advantages of a new up-to-date directory.

The classified lists in the City Directory form the greatest buyers' guide on earth. It is a modern, up-to-date method of getting what you want.

The Directory represents the city and all its interests. Are you doing your share to promote the progress of the community?

Show your public spirit by making the Directory a creditable representation of this city.

"The DIRECTORY IS THE COMMON INTERMEDIARY BETWEEN BUYER AND SELLER."

Polk-Husted Directory Co. Oakland, Cal.

The National Real Estate Journal
